- Sink skip
- Inlet hose kit
- Water control valve

The latest **MF Multi-Functional** range of universal peelers have been developed to make your life easier. Designed for fast, efficient and cost effective handling of root vegetables, potatoes, onions, salads and even shellfish, they are tough, reliable, safe and easy to use.

Unlike competing equipment, the **MF** range has been purpose designed and built to allow you to peel or prepare a wide range of items from a single machine. MF peelers are constructed to the highest standards, using stainless steel and alloy parts throughout, to guarantee a long, trouble-free operating life with minimal maintenance.

The **MF** range peelers are fitted with door and lid safety interlocks and a Class A air break as standard. In addition, they are available in a choice of capacities, can be worktop or floor mounted, and are supplied with everything you need simply to plug in and go.

FEATURES AND BENEFITS

- **Full 2 year warranty** - gives you complete peace of mind
- **Thicker peeling plate** - gives a much longer operating life
- **Safety interlocked discharge door and lid** - for complete operator safety
- **Positive latched lid** - ensures water-tight seal
- **Optional Carborundum liner models** - reduces peeling time still further
- **Easily adjustable timer** - ensures accurate and repeatable peeling times
- **Tough Perspex inspection window** - easy to check on progress of peeling
- **Optional filter basket** - prevents waste pipes becoming clogged
- **Modular construction** - simple maintenance
